SUBJECT: Route Map to Freedom

We began our freedom convoy with a clear destination. Restoring freedom for our families, our neighbours, and our country.

We rolled into Ottawa 2 weeks ago taking a stand for our future.

We have given hope and power to freedom-loving Canadians and beyond. People from around the world are now standing behind us and want us to win.

We have to stay in Ottawa for the long-haul to reach our destination. Just like we do everyday with our routing logistics, we have to plan for the road ahead.

Route Map:

We all know that the Prime Minister keeps wanting us to make mistakes so that he can use force to get us out of Ottawa and extinguish our freedom movement.

We have parked our trucks throughout Ottawa but the pressure needs to be on our political leaders at Parliament Hill to act to restore our freedoms.

We have always been about peaceful protest. Many of the citizens and businesses in Ottawa have been cheering us on but we are also disturbing others.

We need to reposition our trucks so we don't give the Prime Minister the excuse he desperately wants to use force and seize our trucks.

The truckers on the Freedom Convoy 2022 board plan to start repositioning our trucks forward on Monday to consolidate our protest to the streets in front of Parliament. There is also room for trucks to relocate to 88.

We will be working with the Road Captains on the details.
